

Maritime Security Zone 3

Milwaukee River

Sunday, July 14 at 8 a.m. through Friday, July 19 at 1 a.m.

Impacted Area: Cherry Street to Michigan Street

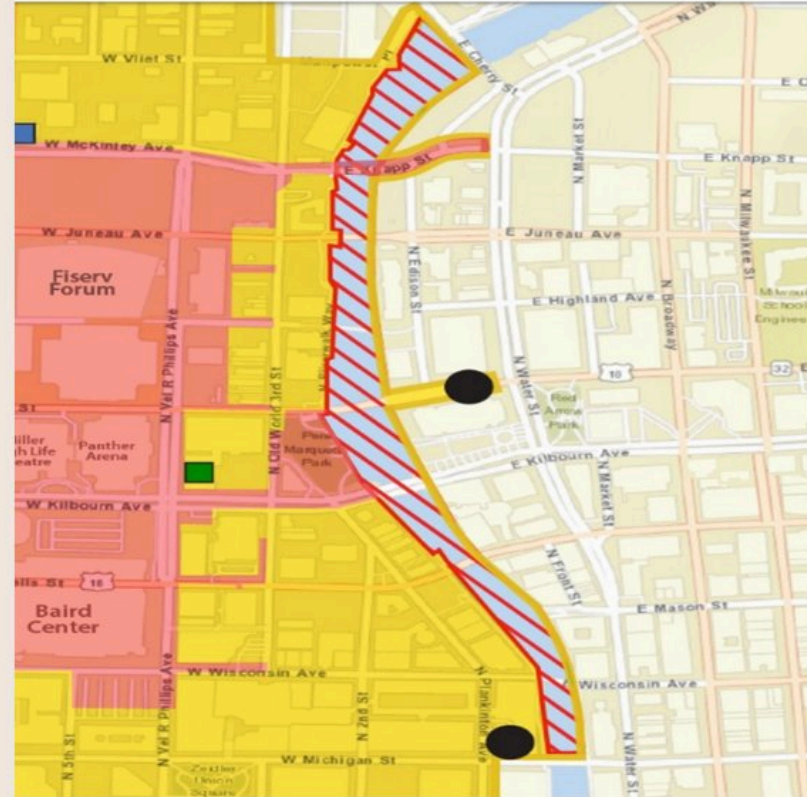

No commercial or recreational vessel traffic will be permitted.

Road Bridges will remain in the down position.

Privately owned vessels that are docked at the registered owners' places of domicile may transit the river so long as their vessels do not require the raising of road bridges. All vessels must have a pre-assigned placard; see the QR code below for additional details on how to obtain a placard.

Before departure from the dock and re-entry into the maritime security zone, the vessel owner must contact the USCG on channel 16 to request an escort. If a privately owned vessel that is docked within the maritime security zone departs the maritime security zone, it will be subject to screening prior to re-entry into the maritime security zone.

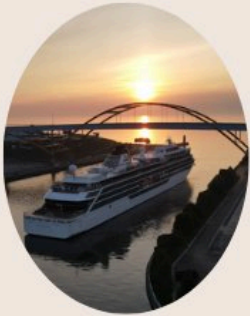

All docked vessels may remain stationary. Pedestrian screening is not required to access stationary boats within the maritime security zone.
