v.

CITY CLERK FOR THE CITY OF RACINE
730 Washington Ave, Room 103
Racine, WI 53403

Defendant.

COMPLAINT

NOW COMES the above-named Plaintiffs, Gary Hendrickson and Angela Bartzen, by their attorneys, the Law Firm of Conway, Olejniczak & Jerry, S.C., who complain and allege against the above-named Defendant as follows:

NATURE OF THIS ACTION

1. Elections are critical to our representative Republic and, as the Wisconsin Supreme Court has recently emphasized, “protecting the integrity and reliability of the electoral process, as well as promoting the public's confidence in elections . . . are always exceedingly important.” *Milwaukee Branch of NAACP v. Walker*, 2014 WI 98, ¶ 73, 357 Wis. 2d 469, 504–05, 851 N.W.2d 262, 279–80

2. The Legislature for the State of Wisconsin has the sole authority to enact laws relating to suffrage. Wis. Const. art. III, § 2; art. IV, § 1.

3. Election inspectors are the individuals authorized by statute to, among other things, work, oversee, and administer elections at polling places on Election Day and are a type of “election official,” which is defined as “an individual who is charged with any duties relating to the conduct of an election.” Wis. Stat. §§ 5.02(4e), § 7.37.

4. Prior to November 30th of any odd-numbered year, the two major political parties, generally the Republican and Democratic Parties, may submit names of election inspector nominees equal to at least the number of election inspectors to which the party is entitled for each polling place pursuant to Wis. Stat. § 7.30(1)(a) and, thereafter, the municipal governing body appoints election inspectors to a two-year term on or before December 31st of an odd-numbered year.

5. Furthermore, state law requires that appointments of election inspectors must be made from the lists of the nominees submitted by the political parties, as long as such nominees are made available by the political parties. Wis. Stat. §§ 7.30(4)(b)2.a, and 7.30(4)(c).

6. In other words, if party lists have been timely received the Republican or Democratic Parties, positions must be filled from the lists until the names on those lists have been depleted

7. Plaintiffs were properly nominated by the Republican Party and, thereafter, appointed to work as election inspectors in the City of Racine by the City of Racine Common Council on December 5, 2023.

8. Despite being qualified, nominated, and properly appointed, the City Clerk for the City of Racine failed to schedule, or take the necessary steps to allow, Plaintiffs to serve as

election inspectors, or otherwise prohibited Plaintiffs from performing duties as election inspectors, in the City of Racine for the August 13, 2024 Partisan Primary, despite scheduling 90 unaffiliated election inspectors to work that election.

9. Contrary to Wis. Stat. § 7.30 and Wisconsin Elections Commission (“WEC”) guidance, the City Clerk for the City of Racine prohibited or otherwise excluded Plaintiffs, who were nominated by the Republican Party of Racine County to act as election inspectors and who were previously appointed by the Racine Common Council to serve in such a capacity, from acting as election inspectors during the August 13, 2024 Partisan Primary.

10. This is an action against the City Clerk for the City of Racine, seeking an injunction prohibiting Defendant from violating Wis. Stat. § 7.30, which requires that individuals submitted by the two major political parties be allowed to act as election inspectors, and perform such duties, before individuals not affiliated with such political parties be allowed to serve as election inspectors, and an order requiring that Plaintiffs, and other individuals nominated to act as election inspectors in the City of Racine by the Republican Party of Racine County, be scheduled and allowed to serve as election inspectors in the City of Racine for the upcoming November 5, 2024 election, and a declaration that Defendant has violated the law by refusing to allow Plaintiffs and other Republican Party election inspectors to serve as election inspectors at polling locations before utilizing unaffiliated election inspectors.

JURISDICTION AND VENUE

28. Jurisdiction is appropriate in the State of Wisconsin as the parties reside within the State of Wisconsin and the conduct challenged herein was carried out in the State of Wisconsin.

29. Venue is appropriate in Racine County pursuant to Wis. Stat. 801.50(2)(a) and (c).

BACKGROUND FACTS

30. Plaintiffs are affiliated with the Republican Party and were previously nominated by the Republican Party of Racine County, prior to November 30, 2023, to serve as election officials, more specifically identified as election inspectors, in the City of Racine pursuant to Wis. Stat. § 7.30. Attached as **Exhibit A** is a copy of the submission by the Republican Party to the City of Racine, Racine Mayor Cory Mason, and the City Clerk, enclosing a list of its nominees, which includes Plaintiffs, and which has been redacted to exclude non-party phone numbers and e-mail addresses.

31. Similar to the Republican Party of Racine County, the Democratic Party of Racine County also nominated individuals to serve as election inspectors in the city of Racine. *See Exhibit A*, which includes a copy of the submission by the Democratic Party of Racine County to the Racine Mayor Cory Mason and the City Clerk.

32. Prior to their nomination to serve as election inspectors, Plaintiffs confirmed to the Republican Party of Racine County that they were ready, willing, and able to serve as election inspectors in the City of Racine from January 1, 2024 to at least December 31, 2025.

33. In total, the Republican Party specifically nominated 55 individuals to serve as election inspectors in the City of Racine, including Plaintiffs. *See Exhibit A*, with the names of

Republican Party election inspector nominees, as well as the names of 40 individuals nominated by the Democratic Party.

34. On December 5, 2023, and with the City Clerk in attendance, the City of Racine Common Council considered the nominations submitted by the Republican Party as part of Item No. 1118-23. *See* a recording of that December 5, 2023 Common Council meeting at: https://cityofracine.granicus.com/player/clip/596?view_id=1&meta_id=97116&redirect=true (last visited Sept. 12, 2024)(see 33:45 – 47:11 of the video recording related to the discussion and passage of Item No. 1118-23).

35. On December 5, 2023, Plaintiffs, and all other individuals nominated by the Republican Party, were approved and appointed to serve as election officials in the City of Racine. Attached as **Exhibit B** is a copy of the published meeting minutes from the December 5, 2023 meeting of the City of Racine Common Council, and as **Exhibit C** is a copy of the Legislative Report indicating that the “list of 2023-2024 Election Officials is approved as submitted” along with a copy of the list of Republican Party nominees who were appointed or approved of by the City of Racine Common Council, including Plaintiffs, and record of passage.

36. During that same meeting, the City of Racine Common Council also approved 15 polling locations in the City of Racine for the August 13, 2024 Partisan Primary and the November 5, 2024 General Election, which was included in Item No. 1116-23. Attached as **Exhibit D** is a copy of the Resolution approving Item No. 1116-23 and the corresponding list of polling locations.

37. Shortly thereafter, Plaintiffs received a correspondence from the City Clerk for the City of Racine requesting that each respond via e-mail to clerks@cityofracine.org if they accept the position of election inspector for the 2024-2025 Election Cycle.

38. Both Plaintiffs responded to the City Clerk by indicating that they accept the invite to be an election inspector and, thereafter, they completed all paperwork that they were told was necessary to be an election inspector in the City of Racine.

39. Plaintiff Hendrickson was scheduled, and worked, as an election inspector for the City of Racine on April 2, 2024, the date of the Spring Election, at the Gilmore School polling location in the City of Racine.

40. Despite Plaintiff Hendrickson performing his duties as an election inspector on April 2, 2024, he was not contacted to work, and was not scheduled to work, at any polling location in the City of Racine for the August 13, 2024 Partisan Primary.

41. Similarly, in the spring of 2024, Plaintiff Bartzen inquired with the City Clerk about when she might be able to attend training and be scheduled to work at a polling location in the City of Racine.

42. Ultimately, Bartzen was informed there was no more training sessions available and, thereafter, she was never contacted by the City Clerk and she was never scheduled to work at any polling location in the City of Racine for the August 13, 2024 Partisan Primary.

43. Upon information and belief, in July or early August 2024, the City Clerk scheduled election inspectors to work at polling locations in the City of Racine for the August 13th Partisan Primary and notified such election inspectors of their assignment.

44. Despite being qualified, nominated, and appointed, the Plaintiffs were neither contacted by the City Clerk nor scheduled by the City Clerk to work as election inspectors for the August 13th Partisan Primary.

45. In total, Defendant refused to schedule or allow 47 individuals (including Plaintiffs) who were previously nominated by the Republican Party, and later appointed by the

City of Racine Common Council, to serve as election inspectors related to the August 13th Partisan Primary.

46. Based on a response dated August 30, 2024 from the City of Racine to an open records request asking for the list of election inspectors who were scheduled to work the August 13, 2024 Partisan Primary at polling locations, or at City Hall central count, the following demonstrates the election inspectors by political party affiliation who actually worked at polling locations on August 13, 2024 in the City of Racine:

- a. 8 Republicans
- b. 7 Democrats
- c. 90 Unaffiliated

Attached as **Exhibit E** is a true and correct copy of the City of Racine's August 30, 2024 response to the open records request.

47. Upon information and belief, Defendant knowingly and deliberately rejected Plaintiffs and other Republican Party election inspectors and, instead, scheduled individuals to act as election inspectors who were not affiliated with either the Republican Party or Democratic Party, which is contrary to law.

48. As set forth in § 7.30 titled "Appointment of Election Officials," Wisconsin law is clear that "all inspectors" working polling locations "shall be affiliated with one of the 2 recognized political parties which received the largest number of votes for president, or governor in nonpresidential general election years, in the ward or combination of wards served by the polling place at the last election." Wis. Stat. §§ 7.30(2)(a), and (4)(b)2.a.

49. Furthermore, for so long as any nominees from either the Republican or Democratic political parties are available, “appointments may be made only from the lists of nominees submitted” by those political parties. Wis. Stat. § 7.30(4)(c).

50. Likewise, WEC has repeatedly instructed municipal clerks that election inspectors nominated by the Democratic and Republican Parties must be given priority before any unaffiliated individuals are selected or scheduled to work polling locations as election inspectors.

51. For example, the Commission’s “Election Administration Manual” provides as follows in relation to election inspectors:

When Lists are Received from One or Both Parties:

* * *

Appointments must be made from the lists submitted by the parties for as long as election inspector positions are available. If party lists have been timely received, **positions must be filled** from the lists until the names on those lists have been depleted.

Wis. Elec. Comm’n, *Election Administration Manual*, pp. 125, Aug. 2024, located at: <https://elections.wi.gov/sites/default/files/documents/EA%20Manual-August%202024.pdf> (last visited on September 12, 2024)(emphasis added). A copy, in pertinent part, is also attached as

Exhibit F.

52. Likewise, the Commission’s “Election Day Manual” provides the following instruction to clerks:

If lists of nominees are received from the two dominant political parties before the November 30 of odd-numbered years deadline, the election inspectors must be appointed from the lists. If no nominations, or an insufficient number of names, are submitted, the board of election commissioners shall appoint (or the mayor, president or chairperson of a municipality may nominate) qualified electors of the municipality without regard to party affiliation.

Wis. Elec. Comm'n, Election Day Manual, pp. 9-10, Aug. 2024, located at:

<https://elections.wi.gov/sites/default/files/documents/ED%20Manual-February%202024.pdf> (last visited on Sept. 12, 2024). A copy, in pertinent part, is also attached as **Exhibit G**.

53. Similarly, in a Notice from WEC sent to the City Clerk on October 3, 2023, WEC reminded the City Clerk that “[w]hen lists of Election Inspector nominees are submitted by one or both Parties, appointments must be made from the lists submitted by the Party for as long as Election Inspector positions are available.” Wis. Elec. Comm’n, *Memorandum: Appointment of Election Inspectors from Lists Submitted by Political Parties*, p. 4, Oct. 3, 2023, located at: <https://elections.wi.gov/sites/default/files/documents/Partisan%20Appointment%20of%20Inspectors%20memo%2010%203%202023.pdf>. A copy is also attached as **Exhibit H**.

54. Accordingly, the City Clerk is required to allow Plaintiffs and the other Republican Party nominees, who were subsequently approved of or appointed, to serve as election inspectors before any unaffiliated individual is scheduled or allowed to serve as election inspectors.

55. Additionally, the City Clerk is prohibited from rejecting or otherwise not scheduling Plaintiffs and the other Republican party nominees, who were subsequently approved of or appointed, simply because they were nominated by the Republican Party.

56. Defendant has no authority to unilaterally reject, disregard, or prevent properly nominated and appointed election inspectors by the two dominant or recognized political parties, such as Plaintiffs, from performing their duties as election inspectors when positions are available, and before allowing unaffiliated individuals from filling those roles.

57. Upon information and belief, unaffiliated individuals received preferential treatment and/or Defendant improperly discriminated against Plaintiffs and the other Republican

Party nominees simply due to their political party affiliation in relation to serving as election inspectors for the August 13th Partisan Primary.

58. The Plaintiffs are qualified to serve, and therefore have a right to serve, as election inspectors in the City of Racine and ensure that the election is being administered in accordance with the laws of the State of Wisconsin, and Plaintiffs have been harmed as a result of the City Clerk's unlawful actions.

59. If the City Clerk is allowed to continue to prevent or prohibit Plaintiffs from serving as election inspectors in the City of Racine, and in a manner contrary to law, it will only cast doubt on the administration of our elections and cause a lack of voter confidence in our electoral process.

COUNT I: INJUNCTIVE RELIEF

60. Plaintiffs incorporate by reference the previously alleged paragraphs as if fully set forth herein.

61. Defendant violated Wis. Stat. § 7.30 by rejecting or otherwise failing to allow Plaintiffs, and others previously nominated by the Republican Party, to serve and act as election inspectors in the City of Racine for the August 13th Partisan Primary before utilizing election inspectors not affiliated with either the Republican or Democratic Parties at polling locations.

62. Upon information and belief, the City Clerk has operated, and will continue to operate, polling locations in the City of Racine in a manner contrary to law due to failing to schedule or otherwise allow Plaintiffs, and others previously nominated by the Republican Party and appointed to serve as election inspectors, from serving and acting as election inspectors in the City of Racine and in a manner that is contrary to Wis. Stat. § 7.30.

63. Plaintiffs, and others previously nominated by the Republican Party and appointed to serve as election inspectors, will suffer irreparable harm from the City Clerk's refusal to allow them to serve and act as election inspectors in the City of Racine for the November 5, 2024 General Election in violation of Wis. Stat. § 7.30.

64. As Plaintiffs have no other adequate remedy at law, injunctive relief is warranted.

COUNT II: DECLARATORY RELIEF

65. Plaintiffs incorporate by reference the previously alleged paragraphs as if fully set forth herein.

66. The interests of Plaintiffs and the City Clerk are adverse.

67. The controversy is ripe for a judicial determination as to whether the City Clerk's interpretation and application of Wis. Stat. § 7.30 is in accordance with the law.

68. Plaintiffs are entitled to a declaration that Defendant violated Wis. Stat. § 7.30 by rejecting or otherwise failing to allow Plaintiffs, and others previously nominated by the Republican Party and appointed to serve as election inspectors, from serving and acting as election inspectors in the City of Racine for the August 13, 2024 Partisan Primary before allowing and/or scheduling election inspectors not affiliated with either the Republican or Democratic Parties.

69. Such judicial determination is necessary to terminate the controversy between the parties, and to clarify Wisconsin law in anticipation of future elections.

COUNT III: WRIT OF MANDAMUS

70. Plaintiffs incorporate by reference the previously alleged paragraphs as if fully set forth herein.

71. Plaintiffs have a clear legal right to serve as election inspectors in the City of Racine before election inspectors not affiliated with either the Republican or Democratic Parties.

72. The City Clerk has a clear and unequivocal legal obligation to schedule or otherwise take whatever steps necessary to allow Plaintiffs to perform duties of an election inspector at polling locations in the City of Racine for the November 5, 2024 General Election.

73. Plaintiffs will suffer irreparable harm if the City Clerk and its office do not comply with its duties as prescribed by Wis. Stat. § 7.30.

74. An order or writ of mandamus is required to compel the City Clerk to adhere to its duties and administer the upcoming election in accordance with Wisconsin law and, in particular, order the City Clerk to schedule or otherwise take whatever steps necessary to allow Plaintiffs, and others previously nominated by the Republican Party and appointed to serve as election inspectors, to perform duties of an election inspector in the City of Racine for the November 5, 2024 General Election.

RELIEF REQUESTED

The Plaintiffs demand Judgment against the City Clerk as follows:

1. An immediate restraining order entered against the City Clerk and prohibiting the City Clerk from violating Wis. Stat. § 7.30, and prohibiting the City Clerk from precluding or restricting Plaintiffs, and others previously nominated by the Republican Party and appointed, from acting as election inspectors in the City of Racine for the November 5, 2024 General Election in a manner that is contrary to Wis. Stat. § 7.30 as described herein.

2. A temporary and permanent injunction prohibiting the City Clerk from violating Wis. Stat. § 7.30, and prohibiting the City Clerk from precluding or restricting Plaintiffs, and others previously nominated by the Republican Party and appointed, from acting as election

inspectors in the City of Racine for November 5, 2024 General Election in a manner that is contrary to Wis. Stat. § 7.30 as described herein.

3. A declaration that the City Clerk violated Wis. Stat. § 7.30 by allowing individuals unaffiliated with either the Republican Party or Democratic Party to serve as election inspectors, before allowing Plaintiffs, and others previously nominated by the Republican Party and appointed to serve as election inspectors, to serve and act as election inspectors in the City of Racine for the August 13, 2024 Partisan Primary.

4. An order directing the City Clerk to schedule, train, and otherwise take whatever steps necessary to allow Plaintiffs, and others previously nominated by the Republican Party and appointed, to act as, and perform duties of, election inspectors at polling locations in the City of Racine for November 5, 2024 General Election, and post a copy of the Court's order and a notice in the entrance way to the City Clerk's office and on the City Clerk's website.

5. All statutory costs and disbursements incurred in pursuing this action.

6. Judgment for such other and further relief the Court may deem just and equitable.

Dated this 13th day of September, 2024.

Subject: [External]RE: Records Request - Election Inspector Assignment (PR2024-254) (Completed)

Dear Mr. Hoffman,

This correspondence is being sent on behalf of the City of Racine in response to your public records request (PR2024-254), in which you asked for the following records:

- Election Inspectors assigned to work the August Election on Election Day, their political affiliation, and polling location assignment
- Election Inspectors assigned to work Early Voting for the August 13th Election, their political affiliation, and Early Voting Site Assignment
- Election Inspectors assigned to work Central Count and their Political affiliation
- Special Voting Deputies assigned and their political affiliation

Attached, please find the records that are responsive to your request.

These records have been redacted according to the balancing test found under the Wisconsin Public Records law, at Wis. Stat. § 19.35, to remove the home telephone number of individuals contained within the records. There is a strong public interest in protecting election officials from harassment, which outweighs the public interest in providing this information for open inspection by requestors. Further, for those election workers employed by the City of Racine, this information is prohibited from release by Wis. Stat. § 19.36(10).

To the extent that your request has been denied, this determination is subject to review by mandamus under Wis. Stat. § 19.37(1), or upon application to the Attorney General or District Attorney. If you have any questions or you feel that this response is incomplete, please raise these concerns by responding to this email. Thank you.

EXHIBIT F

2. By ordinance, the governing body may provide for the selection of alternates or for the selection of two or more sets of inspectors to work at different times on Election Day. Alternate officials may be appointed to maintain adequate staffing of polling places. Wis. Stat. § 7.30(1)(a).
3. The governing body of the municipality may reduce the number of election inspectors by resolution. However, no polling place may have fewer than three election inspectors. Wis. Stat. § 7.32.

Qualification of Election Inspectors

Election inspectors must meet the following criteria:

1. They must be nominated.

The two political parties whose candidates for governor or president received the largest number of votes in the previous general election may submit lists of election inspector nominees no later than November 30 of an odd-numbered year. When party lists are received, election inspector appointments must be made from them. When lists of election inspector nominees are not received from the political parties, appointments are made without regard to party affiliation. Wis. Stat. § 7.30 (4) (b).

As a municipal clerk, you should contact the appropriate statutory committee person or voluntary county party chairperson before the first week in November and advise him or her of their responsibility to submit a list of nominees to the Mayor, Village President or Town Board Chairperson. Do not hesitate to recommend election inspectors who have proven to be effective workers.

If the list of appointed election inspectors is emailed, Administrative Rule EL § 6.04(3) requires that, in addition, the signed original of the document must also be received, either postmarked or delivered by, the filing deadline.

Determining Party Imbalance at Each Polling Place

- a. The party whose candidate for Governor President at the last general election received the most votes *at that polling place* (the “dominant” party) is entitled to one extra inspector.

- b. Determine party imbalance for each polling place in anticipation of receiving lists of inspector nominees from the political parties.

Example:

Republican candidate for governor received the most votes at the polling place at the last general election. Seven total inspectors are needed. Positions available: Four Republican positions and three Democratic positions.

- c. Positions identified as Republican and Democratic remain as such for the duration of the term.

When Lists are Received from One or Both Parties:

Clerks are advised to contact each party's nominees to confirm their willingness to serve before submitting the names to the governing body for appointment.

- a. Document any nominees not willing to serve and provide the Party those names.
- b. The clerk may also inquire as to willingness to serve as a chief inspector and arrange for training for those who are interested.

Note: Refusal to serve as a chief inspector is not grounds for nonappointment.

Appointments must be made from the lists submitted by the parties for as long as election inspector positions are available. If party lists have been timely received, positions must be filled from the lists until the names on those lists have been depleted.

- a. Nominees must be qualified electors of the county in which they reside.
- b. The lists may also designate individuals as first choice nominees, who must be appointed first. Wis. Stat. § 7.30 (4)(b)(1).
 - 1) First choice nominees may be designated by a symbol, such as a star, asterisk or checkmark.

- 2) If “first choice” is not indicated, but the names are numbered, they should be appointed in numerical order.
- 3) If the governing body has good cause not to appoint an individual whose name is submitted as a “first-choice” nominee, it may request the WEC authorize non-appointment, and may not decline to appoint such individual until receiving the WEC’s authorization. Wis. Stat. §7.30(4)(e).

Appointment of persons not appearing on the lists may only occur after the lists have been depleted. Note: The parties have sole discretion to determine nominee criteria.

When party lists are received, the clerk must adhere to “party imbalance” *at each polling place*. The dominant party is entitled to one more election inspector at that polling place than the other party.

Example: Five election inspectors are to be placed at a polling place. The Democratic candidate for governor or president received the most votes at the polling place at the last general election. This means that three positions are Democratic and two positions are Republican. The governing body appoints three names from the Democratic list and two names from the Republican list.

It is possible that the dominant party will differ between polling places in the same municipality.

If Lists are Received but are Insufficient:

If the Democratic and Republican parties’ lists are insufficient or the nominees decline to serve in the positions available for that party’s nominees, the remaining positions are filled without regard to party affiliation.

Example: Seven inspectors are to be placed at a polling place. The Republican candidate for governor or president received the most votes at the polling place at the last general election. This party imbalance gives the Republican Party the extra inspector so the ratio is four Republican positions to three Democratic positions. If sufficient lists from both parties were

QUALIFICATIONS FOR ELECTION OFFICIALS

Summary

An election official is defined as “an individual who is charged with any duties relating to the conduct of an election.” Wis. Stat. § 5.02(4e). County, municipal, and school district clerks are election officials, as are election inspectors, chief inspectors, election registration officials (EROs), special voting deputies (SVDs), tabulators, and greeters. Election officials perform a very important public service by enhancing the high quality and integrity of our elections.

The sections below outline the different appointment and qualifications, duties, and training requirements for each type of election official. The final section details the requirement that all election officials take and file an oath prior to commencing his or her duties.

Municipal Clerks

Appointment and Qualifications

Municipal clerks are elected by the voters or appointed to their positions by the governing body of a given town, village, or city. For specific qualification and residency requirements, consult your municipal attorney.

Duties

The municipal clerk’s election duties include, but are not limited to, supervision of elections and voter registration in the municipality, equipping polling places, purchasing and maintaining election equipment, preparing ballots and notices, and conducting and tracking the training of other election officials. The municipal clerk is responsible for conducting the election in his or her municipality.

Wis. Stat. § 7.15.

A municipal clerk may serve as an Election Registration Official and register voters at the polling place on Election Day. In addition, a municipal clerk may register voters in his or her office on Election Day if located within the same building as the polling place with a resolution of the governing body.

Training Requirement

Under Wisconsin law, each municipal clerk must attend training sponsored by the Wisconsin Elections Commission every two years. Wis. Stat. § 7.15(1m). In order to comply with this training requirement, municipal clerks must obtain six hours of training every two-year term, beginning January 1 of even-numbered years, and ending on December 31 of odd-numbered years.

All clerks must be initially certified by attending the Municipal Clerk Core Curriculum Training (MCT Core) course. Attending MCT Core certifies the clerk to conduct elections in the current term. In order to recertify for the following term, the clerk must attend at least six hours of Elections Commission-approved continuing election education during the current term. (Attendance at MCT Core counts three hours toward recertification for the following term.) Clerks always need to earn a total of six hours during the current term to recertify for the following term. EL 12.03(1), (2).

Clerks must report their election training and the number of hours to the WEC using the Municipal Clerk Recertification Reporting Form which is available on the WEC's website. Training can also be entered directly into WisVote if the clerk is a user of the WisVote system. Training not reported using the form or entered by the clerk in WisVote will not be counted towards recertification hours. Training "sponsored" by the WEC includes any training for municipal clerks that the WEC approves. This includes, but is not limited to, training given by county clerks, WEC clerk conference presentations, live or recorded webinar training sessions and election security training. A detailed list is available on the WEC website. EL 12.03 (4), (5).

Related Materials

The *Election Administration* manual details the duties and requirements for municipal clerks. This manual is available on the agency website for download or may be ordered for a small fee. The manual is issued to new municipal clerks when they have completed the Municipal Clerk Core training class. Information on recertification, as well as the Municipal Clerk Recertification Reporting Form, is also available on the agency website.

Special note regarding election inspector appointments: It is the opinion of the Commission that election inspectors may not serve at elections where they, their spouse, or immediate family member is a candidate on the ballot or under other circumstances where a candidate's success or failure to win election would affect the election inspector financially. There may be other laws that specifically prohibit certain individuals from serving as election inspectors. Clerks are encouraged to check with

their local municipal attorney if they have any questions as to whether a given individual may serve.

Election Inspectors

Appointment and Qualifications

Election inspectors, sometimes called “poll workers,” staff the polling place on Election Day. Each polling place should have seven inspectors, although the governing body may increase the number where more than one voting device is used or polling places are combined or reduce the number by resolution. Under no circumstances may there be less than three election inspectors. Wis. Stat. § 7.30(1)(a).

Election inspectors are appointed by the governing body. Nominations for election inspectors are presented to the presiding officer of the governing body in December of odd-numbered years. If lists of nominees are received from the two dominant political parties before the November 30 of odd-numbered years deadline, the election inspectors must be appointed from the lists. If no nominations, or an insufficient number of names, are submitted, the board of election commissioners shall appoint (or the mayor, president or chairperson of a municipality may nominate) qualified electors of the municipality without regard to party affiliation. The governing body appoints the inspectors for a two-year term at either a regular meeting, or at a special meeting designed for that purpose, before December 31 of odd-numbered years. Election inspector terms run from January 1 of an even-numbered year through December 31 of the subsequent odd-numbered year. Wis. Stat. § 7.30(4)(b).

Election inspectors must be able to read, write and understand the English language. An inspector may not be a candidate for any office to be voted on at an election at which they serve. Election inspectors must be qualified electors of the county served by the polling place in which they work. Wis. Stat. § 7.30(2)(c).

Duties

Election inspectors’ duties include but are not limited to setting up the polling place, preserving order, registering electors, recording electors, issuing ballots, monitoring voting equipment, counting votes, and properly completing the required forms. Wis. Stat. § 7.37.

Training Requirement

Election inspectors are required to receive training from the municipal clerk within two years of any election at which they serve. State law does not stipulate a minimum

number of hours per term or curriculum. It is the responsibility of the municipal clerk to see that all election inspectors are provided with adequate training for the performance of their duties and track the training they receive each term. Wis. Stat. § 7.315(b)(1).

Chief Election Inspectors

Appointment and Qualifications

For each polling place, one election inspector who has completed the required chief inspector training is designated by the municipal clerk to act as chief inspector. Even if more than one election inspector has completed chief inspector training, only ONE election inspector per polling place should serve officially as chief inspector at a given time. It is recommended that the municipal clerk NOT serve as any type of election inspector. The municipal clerk is prohibited from serving as any type of election inspector if he or she is on the ballot. Wis. Stat. § 7.30(2)(a).

The chief inspector must be a qualified elector of the municipality served by the polling place at which they work unless no qualified candidate is available. Wis. Stat. § 7.30(2)(a), EL 11.01(1).

Duties

The chief inspector acts as liaison between the election inspectors and the municipal clerk and is in charge of the polling place on Election Day.

Training Requirement

Chief inspectors have the additional training requirement that they must attend “Baseline Chief Inspector” training to be initially certified. Attending Baseline training certifies the attendee as a chief inspector for all of the elections in the current term. To recertify for the following term, a chief inspector must complete at least six hours of Elections Commission-approved continuing election education during the current term. Attendance at Baseline training also counts toward recertification hours for the following term. Please see the agency website for a list of approved methods for accumulating hours toward recertification of chief inspectors. The municipal clerk must track the training hours for chief inspectors in their municipality. Wis. Stat. § 7.31(4), EL 11.02.

Clerks may administer the “Chief Inspector Self-Evaluation” developed by the WEC to gauge their comprehension of election administration laws after completing the training.

MEMORANDUM

TO: Wisconsin Municipal Clerks
City of Milwaukee Election Commission
Wisconsin County Clerks
Milwaukee County Election Commission

FROM: Meagan Wolfe
Administrator

Riley Willman
Elections Supervisor

DATE: October 3, 2023

SUBJECT: Appointment of Election Inspectors from Lists Submitted by Political Parties

Appointment of Election Inspectors

December 31, 2023, marks the end of the current term of Election Inspectors. Unless your current inspectors are reappointed by your governing body, they will no longer be Election Inspectors after the end of this year. At a meeting in December, not later than December 31, 2023, the municipal governing body shall appoint Election Inspectors for a two-year term which begins January 1, 2024, and ends December 31, 2025. Wis. Stats. §§ 7.30(4)(a), 7.30(6).

Submission of Inspector Nominee Lists by Political Parties

- No later than November 30, 2023, the two major political parties (generally, the Democratic and Republican parties) whose candidates for governor or president at the last general election received the largest number of votes at an *individual polling place* may submit a certified list of Election Inspector nominees to the municipal governing body. Wis. Stat. §7.30(4)(b), (c).
- Each party may submit names of nominees equal to at least the number of inspectors to which the party is entitled. The party must certify that each nominee has been contacted by the party and has agreed to serve. Wis. Stat. §7.30(4)(b).
- The position of Election Inspector is an appointed public office. Appointment to the position comes with the expectation that the Election Inspector intends to work every scheduled election conducted during their 2-year term and can be counted on to do so. A nominee who is not willing to make this commitment or expresses a desire to work only a specific election should not be appointed. Making

this commitment may require adjusting personal schedules to accommodate availability for each election.

- The party whose candidate received the largest number of votes *at each polling place* is entitled to one more inspector than the party whose candidate received the next largest number of votes at that polling place. Wis. Stat. § 7.30(2)(a).
- For inspector appointments made this December, the election used to determine the two dominant parties and which party is entitled to the extra poll worker at each polling place is the November 8, 2022 general election. Wis. Stat. § 7.30(2)(a).

Example:

- Five election inspectors are to be placed at a polling place. Tony Evers (Democratic) received the most votes at the polling place at the November 2022 election. Therefore, the Democratic Party is entitled to one more inspector than the Republican Party.
- The Democratic Party has three positions available and the Republican Party has two positions available.

Note: It is possible for the party whose candidate for governor received the most votes to differ between polling places in the same municipality.

Qualifications

In addition to being able to read and write the English language and being capable and of good understanding,

- Election Inspectors must be qualified electors of the county in which they serve. Wis. Stat. § 7.30(2)(a).
- Each party may establish additional criteria that a prospective nominee must meet in order to be included on the list submitted by the party. This may include a requirement to be a member of the party or to belong to an organization affiliated with the party.

Public Records Requests by Parties

The Democratic and Republican Parties are working to assemble and submit lists of Election Inspector nominees to as many municipalities as possible. You may receive a public records request from one or both parties asking you to provide the names of your current inspectors and their party affiliations.

- Your list of current inspectors is an open record and subject to the public records law. However, not all information regarding the inspector should be released. The inspector's name, address and party affiliation (if any) must be released in response to an open records request. Wis. Stat. § 19.36(11) directs that home email and home telephone numbers cannot be released unless authorized by the official. However, the "work" number or email of appointed officials would need to be released.

Municipal clerks are not required to collect contact information, but to the extent such information is collected, clerks should affirmatively address with their election inspectors what information should be considered their “work” contact information. “Home” contact information should not be used for communications concerning an inspector’s public role as an election official.

- Any current inspectors who were appointed from a party list in 2021 should have their party affiliation listed by their name.
- Current inspectors who were *not appointed from party lists* should be indicated by the word “unaffiliated” by their name.
- Providing a list of your current inspectors and their party affiliations (if their names were on a party list in December 2021), if any, may encourage the parties to nominate experienced inspectors.

No inspector on your list should be listed with a party affiliation unless that inspector was appointed from a party-submitted list. Do not insist that inspectors who were not nominated by a party disclose their political party leanings to you.

Delivery/Transmission of Lists

Wis. Stat. § 7.30(4), provides that the lists are to be submitted to the chief elected official (Mayor, Village President, Town Board Chairperson) or the municipal clerk. (In the City of Milwaukee, the lists are to be submitted to the City of Milwaukee Board of Election Commissioners.)

- We recommend that the lists be submitted to both the head of the governing body and the municipal clerk in order to facilitate this process. If the head of the governing body has not received the list, the clerk is required to immediately forward a copy of the list to the elected official. Wis. Stat. § 7.30(4)(b)2.a.,b
- Letters have been sent to the Democratic and Republican state parties reminding them of the local parties’ responsibility to submit lists of poll worker nominees. Copies of the letters accompany this correspondence.

The statutory deadline for submission of lists by the Parties is Thursday, November 30, 2023.

- Lists of inspector nominees may be submitted by mail or other delivery service, personal delivery or electronically (by fax or email) no later than close of business on the deadline. Wis. Stat. § 7.30(4)(c).
- If the list is submitted electronically, the list containing the original signature(s) of the appropriate party affiliate must follow, postmarked no later than the deadline. Wis. Adm. Code EL § 6.04.

Appointments Must be Made from the Lists

If Lists are Received from One or Both Parties

Memo - Appointment of Election Inspectors from Lists Submitted by Political Parties

October 3, 2023

Page 4

- When lists of Election Inspector nominees are submitted by one or both Parties, appointments must be made from the lists submitted by the Party for as long as Election Inspector positions are available. Wis. Stat. § 7.30(4)(c).
- Current inspectors may be reappointed if their name appears on a party list, the party list is insufficient, or no party list is received. A reserve pool of inspectors may be appointed by the governing body in the event of vacancies.
- If party lists have been timely received, positions must be filled from the lists until the names on those lists have been depleted.
- The lists may designate individuals as “first-choice” nominees, who must be appointed if they qualify and so long as positions are available. Wis. Stat. §7.30(4)(b)2.c.
- If the governing body has good cause not to appoint an individual whose name is submitted as a “first-choice” nominee, it may request the WEC authorize non-appointment, and may not decline to appoint such individual until receiving the WEC’s authorization. Wis. Stat. §7.30(4)(e).

If Lists are Received but are Insufficient

- If a Party’s list is insufficient to fill the positions available for that party’s nominees, the remaining positions may be filled without regard to party affiliation (unaffiliated inspectors). Wis. Stat. §7.30(4)(c).

Example:

Seven inspectors are to be placed at a polling place. Tim Michels (Republican) received the most votes at the polling place in November 2022. Therefore, the Republican Party is entitled to one more inspector than the Democratic Party.

- If sufficient lists from both parties are submitted, four names would be appointed from the Republican list and three names would be appointed from the Democratic list.
- If there are only *three* names on the Republican list and no Democratic list was submitted, the governing body appoints the three Republican names. The Mayor, Village President or Town Board Chairperson nominates other qualified individuals, regardless of party affiliation, and submits the names to the governing body for appointment to the remaining four “unaffiliated” positions.
- If the Democratic Party submitted a list with two names in addition to the Republican Party list containing three names, only two unaffiliated positions would be appointed.

If No Lists are Received

Memo - Appointment of Election Inspectors from Lists Submitted by Political Parties
October 3, 2023
Page 5

- If no lists are submitted, the Mayor, Village President or Town Board Chairperson nominates other qualified individuals, regardless of party affiliation, and submits the names to the governing body for appointment. All appointments are made without regard to party affiliation (unaffiliated).
- While qualified electors of the county may be nominated and appointed, qualified electors of the municipality are to be given preference when the governing body appoints without regard to party affiliation. Wis. Stat. §7.30(4)(c).
- Municipalities may require appointed individuals to comply with standard personnel policies and requirements, such as the submission of contact information and documents necessary to process compensation. If you are unsure whether such a requirement adds an impermissible qualification for nominated individuals, you may seek guidance from WEC staff.

Please refer to the Election Officials section of the [Election Administration Manual](#) for additional information. If you have questions, please contact the WEC Help Desk at (608) 261-2028, or elections@wi.gov. Thank you.
