PROBABLE CAUSE:

On October 8, 2024, Kenosha County Sheriff's Department Deputy James Nowak was dispatched to a residence in Twin Lakes. The caller was advising that his 13 year old son was forced to have sex with the mother of his friend.

Upon arrival, Deputy Nowak made contact with Kevin G., his wife Stacey G., and their son ZG (DOB 02/23/2011). Deputy Nowak asked ZG if he knew why law enforcement were there. ZG said his father called about an incident that occurred in the Village of Paddock Lake, County of Kenosha, State of Wisconsin, a few months back involving his friend's mother, Anna Crocker, hereinafter referred to as the Defendant. ZG advised that he has known the Defendant for approximately two years. He is friends with the Defendant's son, who he met at school. ZG said he has been to the Defendant's house in Paddock Lake "countless times." ZG described the Defendant as acting crazy every time he is over there because she is a heavy drinker.

ZG then described an incident that occurred 9-10 months ago, in the winter time. He was at the Defendant's house for a sleepover with some friends. Throughout the evening, they played basketball, went for a walk, and played video games. Everyone went to bed around midnight. ZG slept on the couch in the basement. While asleep on the couch, he was woken up by the Defendant, who was naked. The Defendant had removed ZG's pants and was on top of him. Eventually, his friends heard noises and went downstairs. The Defendant tried to hide, but his friends saw what happened. ZG went upstairs and told his friends what happened, then went to bed.

Deputy Nowak then spoke to Stacey G., who advised that at approximately 3:10PM that day, she received a text from Denise T., who is the mother of one of ZG's friends, JPF (DOB 11/10/2009). The text asked Stacey to call Denise. When she did, Denise advised that there was a girl at lunch that day yelling at JF about him having sex with the Defendant. Denise picked up her son from school due to this incident. JPF then told Denise that the Defendant had been inappropriate with JPF as well as ZG. Stacey waited until Kevin got home and then they asked ZG point blank if the Defendant had done anything inappropriate with him, as they had heard about from another boy at school. ZG replied, "Was is [JPF]?" ZG then made no disclosures. Kevin told ZG that if he changed his mind, he could talk to them.
A short while later, ZG was getting ready for football and mentioned that he felt sick. ZG then went to the bathroom and began dry heaving. Stacey asked if he was okay and ZG said he needed to lie down. ZG then made a comment, "I thought I would never have to think about it

again." While ZG was lying down, he admitted that he had sex with the Defendant and that it was not consensual.

On October 9, 2024, Deputy Alexander Hyatt, who is the School Resource Officer at JPF's high school, had contact with JPF. JPF told Deputy Hyatt that he lives in Burlington and, for a long time, had been exchanging sexual chats and pictures via Snapchat with the Defendant, who is a teacher as Riverview Elementary School in Silver Lake. JPF then went on to disclose in detail to Deputy Hyatt how the Defendant sexually assaulted in him a parking lot in Racine County in August of 2024.

JPF further advised that the Defendant may be aware that law enforcement know about what she is doing to kids. He explained that the day before, on October 8, 2024, at lunch, a female student BS (DOB 04/06/2009) came up to JPF at lunch and yelled at him for sending a video of him masturbating to the Defendant. JPF explained that BS and the Defendant are very close friends.

Detective Bella scheduled a forensic interview for ZG at the Kenosha County Child Advocacy Center, on October 9, 2024. During his interview, ZG disclosed that he went to his friend BC's house sometime in the winter before his birthday, so he would have been 12 years old. At the house was the Defendant's son, ZG, and two other friends who he named. Around midnight, the boys got ready for bed. ZG slept in the basement.

When he woke up, ZG was undressed and so was the Defendant, who was on top of him. ZG described the Defendant as his friend BC's mother. ZG described how his pants and underwear were pulled down to his knees. The Defendant had on a top, but nothing else. The Defendant then took ZG's hand and put it on her breasts. She then began making him do things that she wanted.

At this point, ZG said he didn't want to say what happened next because it was hard to say. Forensic Interviewer Taume Kohl gave ZG a piece of paper and told him he could write it down. ZG then wrote down, "she made me put my male part in her female part." ZG then described the female part as her vagina and the male part as his penis. ZG said he told her repeatedly to get off of him, but she would not listen. He also tried to push her off.
His friends heard something, so came to check on what was going on. The Defendant heard them coming down the stairs, so got up and ran away. His friends saw her run behind the stairs. ZG went upstairs and told them what happened.

ZG said that he was scared and traumatized. ZG believed the Defendant had been drinking that night. There was a bottle of Champagne or wine that was open. He also saw her drinking out of a cup.

ZG stated that a couple months ago, someone had given the Defendant his phone number. She texted him, identifying herself as "Anna," and was telling ZG to apologize to her for what happened in the basement. ZG described the Defendant as trying to make him feel guilty. The Defendant also told him that he could not tell anyone about what happened. ZG blocked her as a result.
While ZG was being forensically interviewed, Detective Moro interviewed the Defendant. During her interview, the Defendant admitted to receiving a masturbation video from JPF and saving it. She also admitted that she sent the video of JPF masturbating to BS.

Detective Moro seized the Defendant's phone and searched it, pursuant to a search warrant. Located in the Defendant's photos application, in her hidden photos (which is password protected by the phone password), Detective Moro located a full color video of JPF masturbating. It showed a date of August 21, 2024, and a time of 10:02PM. It is six seconds in length. In the video is a male penis, erect, and exposed through American Eagle boxer briefs. When the video is played, it shows JPF masturbating and stating, "Anna help me. Make this dick cum in you."

On October 10, 2024, Twin Lakes Police Department Detective Sobczak made contact with CPW (DOB 06/16/2011) and his parents at their residence in the Village of Twin Lakes, County of Kenosha, State of Wisconsin, after CPW reported to a school staff member that he received inappropriate material and messages from the Defendant. CPW advised that he was friends with the Defendant's son and that the Defendant added him on Snapchat. He provided the Defendant's Snapchat username as well as his own.

CPW said they chatted for approximately two weeks. It started with general conversations and at times was "weird." For example, she told CPW she was working out and asked what workout she should do. At one time, she sent him an image of her in bed, under the covers, with a vibrator visible next to the bed. CPW said he knew what she had been doing and the Defendant made a comment about not being able to finish. CPW also advised that the Defendant sent him a video of her using the vibrator on herself.

CPW was forensically interviewed at the Kenosha County Child Advocacy Center on October 15, 2024. During the interview, CPW went into further detail about the picture and video. CPW advised that the Defendant messaged him on Snapchat one day, saying she was drunk and tired. CPW told her to go to bed. She then sent him a Snapchat picture of her in bed, with a white fluffy comforter pulled over her waist, and a white vibrator next to her. She then sent him a video her masturbating using the same vibrator.

CPW described that in the video, he could hear vibrating noises and that the Defendant was saying something. When CPW first opened it, he thought it was a workout video, but it wasn't. He clicked through the video and didn't respond. He stated he was "too young for that." CPW said then became scared and blocked the Defendant. He said he was scared because of what happened to his friend ZG, who told CPW that the Defendant raped him.

CPW did tell his friend RDH (DOB 04/15/2011) about the video. According to CPW, RDH friended the Defendant on Snapchat. The Defendant then said something inappropriate to RDH, so RDH blocked her.

CPW described the vibrator as V or triangle shaped with a curve. The head moved back and forth like a massage gun. CPW then drew a picture of the vibrator on a piece of paper.

After the interview, Detective Moro searched through the Defendant's phone and located several videos she took of herself masturbating with a white and pink vibrator that looked similar to how CPW described it. Detective Moro also located a picture on the Defendant's phone of all her sex toys laid out on her bed, including the white and pink vibrator. Detective Moro cropped that picture to only have the white top portion, along with the V portion, of the vibrator showing. With CPW's parents' permission, Detective Moro later showed this cropped

picture to CPW, who confirmed that was the vibrator that he saw in the video the Defendant sent him.

Also on the Defendant's phone, Detective Moro observed that the Defendant had downloaded her own Snapchat user data to her phone, allowing Detective Moro to search through the Defendant's Snapchat data and history. Under "Friends," Detective Moro observed that the Defendant added CPW on Snapchat on September 20, 2024. Under "Chat_history," Detective Moro was able to observe the chat history between CPW and the Defendant. Between September 21, 2024, and September 23, 2024, the Defendant and CPW exchanged 239 Snapchat messages between them, including 7 media files, which were images or video. The last video message sent was from the Defendant to CPW on September 23, 2024, at 11:56PM.

Detective Moro then spoke to RDH, who confirmed that he was friends with CPW. RDH advised that one day, CPW told RDH about a female messaging him and sending him weird videos where she was using a vibrator. CPW said he felt weird about it and the two of them discussed whether they should tell someone or not for a week or two. CPW eventually told RDH that the female was the Defendant. Once they found out the Defendant was in jail, they decided to say something.

RDH advised that he knew the Defendant's son through football and had never talked to her directly until one day, she added him on Snapchat. He then received videos and messages from her on Snapchat. RDH said he eventually blocked her after a weird messages from her. When asked what the weird message was, RDH said the Defendant asked him how old he was. RDH replied that he was 13 years old, to which the Defendant replied, "I like that." RDH blocked her immediately after that.

RDH allowed Detective Moro to observed his Snapchat account and Detective Moro confirmed that the Defendant's Snapchat account was listed under RDH's blocked user list.

Detective Moro continued to search the Defendant's Snapchat user data and located a conversation between her and a user who was later identified as SDW (DOB 11/25/2007). The data showed that the Defendant added SDW on Snapchat on October 9, 2024, and had a conversation with him. In that conversation, the Defendant advises SDW that she saw him on the homecoming float for his high school. She then asks SDW how old he is, to which SDW replies, "about to be 17." The Defendant then tells SDW her age and that, for employment, she is a teacher and is starting to sell real estate.

The Defendant then quickly turns the conversation sexual:

> Defendant: We really can't.
> Defendant: Ur hot as shit. But we just can't :/
> …
> Defendant: When u first saw me did u want to fuck me
> Defendant: I fr (for real) want you.
> Defendant: But I just don't want to make sure we're making the right choice.
> SDW: alr (alright)
> Defendant: Promise you'll wait and let me think about it?
> SDW: (sends media)

Defendant: KK but if I decide yes. I need to fuck you.
Defendant: And I'm going to make you cum a lot.
Defendant: Hit me up tomorrow if ya want

SDW then indicates that he is at a friend's house at the moment, which is why he is not responding to a lot of her messages. The Defendant replies, "Good thing I didn't get you hard then.." The Defendant asks SDW if he is a junior in high school. SDW replies that he is and that he is one year away from being "legal." The Defendant replies, "Mmmm then I could fuck you all the time ;)."

The Defendant then invites SDW over to her house that weekend and says that she is always by herself on the weekends. SDW replies, "I damn near wanna come see u rn (right now)." They then make plans for SDW to go to her house on Friday, October 11, 2024. The Defendant says, "I want you to want me bad" and "I really want to see your ass this weekend."

It should be noted that SDW's younger brother is friends with the Defendant's son. In the Snapchat messages between the Defendant and SDW, they discuss how SDW's younger brother was over at the Defendant house a few nights prior. They also discuss not telling SDW's younger brother about them having sex, if it were to happen.

Upon seeing these messages, Detective Moro reached out to SDW's mother and arranged to speak to SDW at school on October 30, 2024. SDW advised that the Defendant added him on Snapchat a few days after the Homecoming Parade and that he had never met or spoken to her prior to that, and had never been to her residence. SDW confirmed that they shared each other's ages and were flirting. SDW said the Defendant wanted to have sex with him at her residence and that they agreed upon a day, but that he never went through with it.

SDW also explained how the Defendant sent him pictures in which sex was "inferred." He described one picture the Defendant sent him, in which she was laying down with her hand down her pants, near her vagina. He also described another picture the Defendant sent him, in which she was groping her breast over her shirt. These pictures were sent in the context of them talking about having sex. SDW stated that he only sent her one picture and that it was of himself without a shirt on.

SDW then reviewed the Snapchat messages that Detective Moro recovered from the Defendant's Snapchat data on her phone and SDW confirmed those were the messages sent between the two of them.
