DPW will collect cut Christmas trees curbside from residents currently receiving curbside waste and recycling services.

Residents must submit a request.

Trees will be composted!

To be collected

- Remove all lights, ornaments, and other decorations.
- Do not bag trees.
- Remove metal or wooden stand.
- Submit a collection request.
- Place tree at collection point.

*Wreaths free of all decorations, wire, and plastic can be placed at the collection point to be composted.

**Artificial Christmas trees can be placed at the garbage collection point. Do not place them in garbage carts.
